EXPERIENCE

E-BEAM Services| Lebanon, Ohio

May 2024 – Aug 2024

Warehouse Associate

- Worked with a diverse team to coordinate shipments and meet tight deadlines.
- Analyzed challenges and implemented solutions to minimize errors.
- Strictly adhered to safety protocols while still managing high volume workloads.

Walden Ponds | Middletown, Ohio

May 2023 – Aug 2023

Golf Course Groundskeeper

- Raked bunkers to ensure optimal playing conditions and aesthetics.
- Filled in and repaired potholes on the golf course, enhancing safety and playability.
- Diligently maintained and upheld tee boxes, ensuring a premium golfing experience for players.

Lawn Care & Snow Removal | Kings Mills, Ohio

May 2022 – August 2024

Managed My Own Business

- Managed all aspects of the business, including acquiring clients, scheduling, and invoicing.
- Built and maintained amazing relationships with my clients by improving my services at every opportunity and considering any concerns.
- Oversaw equipment maintenance and logistics making sure every tool/device operated efficiently and didn't break down.

PROJECTS

Arduino Robot | Arduino

Aug 2022 – Dec 2022

- Worked with a team of 3 to design a robot using a mini-Arduino and a Bluetooth controller.
- Coded the robot in Arduino to perform movement and 2 different actions using Bluetooth.

Unity Project | Unity and C#

Jan 2024 – May 2024

- I independently worked on a unity project for my engineering senior project. I learned valuable lessons about timing, distribution of work, and how to effectively troubleshoot issues.

ACTIVITIES

High School Track and Field| Kings High School

March 2019 – June 2024

- Four-year varsity letter athlete.
- Helped organize sprint practices to help benefit everyone on the team.
- Effectively worked with relay teammates to improve teamwork and consistency.

Mathew 25 | Volunteering

October 2023 – April 2024

- Worked with others to help pack food and supplies to help lower income communities or third world countries.

AVAILABLE FOR CO-OP: FALL 2025
